Today in History

In 1971 Walt Disney World opened in Orlando, Florida. Walt Disney World is an entertainment complex in Lake Buena Vista, Florida, and is the most visited of such complexes in the world. The property covers 47 sq miles and houses 24 themed resorts, four theme parks, two water parks, and several additional recreational and entertainment venues. Magic Kingdom is the original theme park on the complex, and Epcot, Disney's Hollywood Studios, and Disney's Animal Kingdom opened throughout the 1980s and 1990s.

Academic Bowl Trivia

If four interior angles of a five-sided figure pentagon measure 100 degrees each, what will the fifth angle measure?

140 DEGREES - BECAUSE THE SUM OF THE FIVE ANGLE IS 540 DEGREES.
