Today in History

I Love Lucy, starring Lucille Ball and Desi Arnaz, had its television debut in 1951. Originally set in an apartment building in New York City, I Love Lucy centers on Lucy Ricardo and her singer/bandleader husband Ricky Ricardo, along with their best friends. Lucy is naive and ambitious, with an undeserved zeal for stardom and a knack for getting herself and her husband into trouble whenever Lucy yearns to make it in show business. I Love Lucy was the most watched show in the United States in four of its six seasons.
