Today in History

Rin Tin Tin was born in 1918. This male German Shepherd dog was rescued from a World War I battlefield by an American soldier, Lee Duncan, who nicknamed him "Rinty". Duncan trained Rin Tin Tin and obtained silent film work for the dog. Rin Tin Tin was an immediate box office success and went on to appear in 27 Hollywood films, gaining worldwide fame. Rin Tin Tin was responsible for greatly increasing the popularity of German Shepherds as family pets.
