Today in History

Babe Ruth hit his 60th home run in 1927. The record stood until Roger Maris hit 61 in 1961. Ruth is credited with changing baseball itself. The popularity of the game exploded in the 1920s, largely due to his influence. Ruth ushered in the "live-ball era", as his big swing led to escalating home run totals that not only excited fans, but helped baseball evolve from a low-scoring, speed-dominated game to a high-scoring power game. He has since become regarded as one of the greatest sports heroes in American culture.

Interim Reports on October 2nd

Students, please make sure you are in steady communication with your teachers about your progress in your classes. This week please take advantage of the study lab in the library from 3:00 to 4:00 Monday through Thursday. Dorm students also have added homework support in Checkers.

WORK HARD BE KIND

This Tuesday during enrichment we will be having our anti-bullying meetings. Students lists and room locations are still posted on the central bulletin board on the high school floor.

This week's theme is about confronting bullying and knowing your role. You will discuss the roles of bullies/bystanders. This is an important meeting in feeling confident how to act in sticky situations and knowing how to analyze complex social situations.

Thank you once again for your open and sincere dialogue in these meetings.
