Today in History

Humanitarian Mother Teresa, who won a Nobel Peace Prize for her work with the poor, died in Calcutta, India, at age 87. Mother Teresa founded the Missionaries of Charity, which in 2012 consisted of over 4,500 sisters and is active in 133 countries. They run hospices and homes for people with HIV/AIDS, leprosy and tuberculosis; soup kitchens; orphanages; and schools. Members of the order must adhere to the vows of chastity, poverty and obedience, and the fourth vow, to give "Wholehearted and Free service to the poorest of the poor".

Common Core

This year you will notice instruction will ask for you to think independently and persevere in solving complicated problems. Why is this good for us?

"It is no longer okay to provide the vast majority of America's children with a fill in the blank, answer the questions, read the paragraph that equips them to take their place on the assembly line. The assembly lines have closed down."
